

City of Torrington )  
County of Goshen )  
State of Wyoming )

The Torrington City Council met in regular session on Tuesday, September 6<sup>th</sup>, 2016 in the City Council Chambers at 436 East 22<sup>nd</sup> Ave. at 7:00 p.m. Present: Mayor Varney, Council Members Adams, Hill, Kelly and Law. Also Present: Clerk/Treasurer Strecker, Attorney Eddington, Building Official Estes, Chief of Police Sharp, Project Manager Weis, Water/Wastewater Supervisor Troxel, Streets/Sanitation Supervisor Korell, and Deputy City Clerk Kinnan.

Mayor Varney called the meeting to order.

Councilman Bill Law led the Pledge of Allegiance.

Mayor Varney stated the Streets/Sanitation department will conduct fall cleanup Sept. 10-17, 2016. City residential trash customers may haul trash to the baler and dump for free as long as the load is secured and they present a copy of their utility bill.

Mayor Varney commented the Classic Cars in the Park car show, sponsored by the Scottsbluff Valley Street Rods and the City, will be held on Saturday Sept. 10<sup>th</sup>, 2016 from 9:00 a.m. to noon on Main St., followed by lunch, games, and awarding of the trophies in Pioneer Park. He encouraged everyone to attend.

Councilwoman Hill moved and Councilman Kelly seconded to approve the consent agenda which includes the minutes of the 08-15-16 Council meeting as published and all actions therein be ratified. Motion carried unanimously.

Mayor Varney requested the agenda be amended by adding Resolution No. 2016-16 authorizing the City to apply for an MRG grant and deleting the suspension of Haydee Grimes (DBA Grampa Chuys) liquor license because they paid their sales tax. Councilman Adams moved and Councilman Law seconded to approve the agenda as amended. Motion carried unanimously.

Attorney Eddington read a Proclamation declaring September 2016 as National Suicide Prevention Month. Lynette Saucedo, with the Prevention Management Organization of Wyoming, Goshen County Office, addressed the Council. She stated Wyoming is currently ranked number three in the nation for suicides. There are no boundaries, it affects persons of all races, faiths, and income levels. We need to educate people that it is ok to seek help if they are suffering from any mental health issue such as anxiety or depression. Councilman Law moved and Councilman Adams seconded to approve the Proclamation as presented. Motion carried unanimously.

Mayor Varney recommended appointing Chuck Davis to the Planning and Advisory Board to fill the vacancy left by Chris Schultz, with the term to expire on 12/31/2018. Councilman Adams moved and Councilwoman Hill seconded to appoint Chuck Davis to the Planning and Advisory Board until 12/31/18. Motion carried unanimously.

Mayor Varney opened the public hearing and convened the Council as a Board of Adjustment to consider four variances. The Planning Commission approved all four requests at their 08-30-16 meeting.

Levi Freeburg at 2802 East F St. requested a front yard setback variance from the required 25' to 10' on the south lot line to build a new home. Levi Freeburg addressed the Council and stated he wants to build a new home closer to the south lot line because there is a hill on the north side of the property. D.J. Martinez from 1530 West A St. addressed the Council. He stated he owns lots in the area and was against the variance because he is concerned the water runoff will flow onto his property once the 2802 East F property and East F Street is developed. Councilman Adams stated he cannot imagine the City ever putting in a street that would flood and damage someone's property. Mr. Martinez stated he heard Mr. Freeburg would have a home based business at this location. Building Official Estes stated that it was legal for Mr. Freeburg to have a home based business in the primary structure. Councilwoman Hill moved and Councilman Law seconded to approve the variance for Levi Freeburg as presented. Motion carried unanimously.

Gabio Chavez at 2944 East A St. requested a front yard setback variance from the required 25' to 15' on the east lot line to build a carport on the front of the home. Councilman Adams commented if it was not enclosed it would be just like another carport in the neighborhood. No one spoke for or against the variance. Councilman Adams moved and Councilman Kelly seconded to approve the variance for Gabio Chavez as presented. Motion carried unanimously.

Bernice Marlin at 1917 East E St. requested a square footage increase for accessory structures from the allowed 700 sf. to 872 sf. for the purpose of building a carport in the back alley. Lanny Olson of 3649 Bighorn St. addressed the Council. Mr. Olson apologized for starting the project before getting Council approval. Mr. Olson commented the property belongs to his 92 year old mother-in-law. Councilman Kelly inquired if the carport would encroach upon the alley. Building Official Estes stated no. Councilman Adams inquired if the fire department saw the increased square footage as a problem. Building Official Estes stated no. Councilman Law commented he appreciated Mr. Olson's apology but voiced concerns when residents come to the City for approval of variances after they have started or finished a project. Councilman Law moved and Councilwoman Hill seconded to approve the variance for Bernice Marlin as presented. Motion carried unanimously.

Cynthia Schilreff at 1726 East C St. requested a front yard setback variance from the required 25' to 15' on the east property line for the addition of a front porch. Cynthia Schilreff addressed the Council. She stated her husband has Alzheimer's and she bought the house as a project. Remodeling the house has been a labor of love, she has completely gutted it and in the process has found many hidden treasures. She wants to add a front porch so the home will have a cottage look. Councilwoman Hill moved and Councilman Kelly seconded to approve the variance for Cynthia Schilreff as presented. Motion carried unanimously.

Mayor Varney returned the Council to regular session.

High Plains Pizza Inc. of Liberal KS has purchased the Torrington Pizza Hut Restaurant at 1120 East Valley Rd., and has requested the restaurant liquor license be transferred to them. Attorney Eddington stated all the paperwork is in order and the WY Liquor Division has reviewed the application and found no issues. No one spoke for or against the transfer of the license. Councilman Adams moved and Councilman Law seconded to approve the restaurant liquor license for High Plains Pizza Inc. DBA Pizza Hut #265. Motion carried unanimously.

Councilwoman Hill moved and Councilman Kelly seconded to approve Resolution No. 2016-15, which corrects and designates a portion of 29<sup>th</sup> Ave. as 28<sup>th</sup> Ave. Motion carried unanimously.

Water/Wastewater Supervisor Troxel and Project Manager Weis addressed the Council. They requested approval of an agreement with DOWL HKM of Laramie, WY for professional services in the amount of \$23,070 for the completion of area "B1" of the 2017 Water Line Replacement Project on West C St. from 19<sup>th</sup> Ave. to 21<sup>st</sup> Ave. Supervisor Troxel stated the agreement will direct DOWL HKM to update the drawings, prepare bid documents and construct as-builts for area "B-1". Councilman Kelly inquired why would the drawings need updated because the streets are the same. Project Manager Weis stated because the project will bore under the railroad tracks and tie into an old project. The water line will be upgraded from a 4 inch to an 8 inch line. Funding is available in the amount of \$21,747.71 in CDBG funds and the balance of \$1,322.29 will be covered by the Water/Wastewater budget. Councilman Kelly commented it only cost \$15,590 for the 2013 agreement with DOWL HKM to complete area "C". Councilman Law moved and Councilman Adams seconded to approve the agreement with DOWL HKM as presented. Motion carried unanimously.

Water/Wastewater Supervisor Troxel and Streets/Sanitation Supervisor Korell addressed the Council. They requested approval of an agreement with BenchMark of Torrington, P.C. for professional services not to exceed \$88,350, regarding the 2016 Torrington Frontage Road Reconstruction & Water Line Replacement Project. Supervisor Troxel stated the 8 inch water line will be replaced from the overpass to East N St. Supervisor Korell stated the ten cent fuel tax is being used to fund the project and he anticipates it being done in phases. The approaches on Highway 26 will align with the City streets; keeping deliveries to the businesses off of the frontage road will reduce road damage caused by large delivery trucks. Councilman Adams inquired about the process in choosing BenchMark to do the work. Supervisor Korell stated it was done prior to Engineer Juve retiring. Councilman Kelly inquired if the State of WY would help with any of the funding. Supervisor Korell stated no they won't. Supervisor Troxel stated there will be curb and gutter on the north side of the frontage road to handle storm water. Councilman Adams moved and Councilwoman Hill seconded to approve the agreement with BenchMark of Torrington as presented. Motion carried unanimously.

Clerk/Treasurer Strecker presented for approval Resolution No. 2016-16 authorizing the City of Torrington to submit a Federal Mineral Royalty Capital Construction Account Grant Application in the amount of \$990,000.00 to the WY State Loan and Investment Board (SLIB). The grant application to be submitted to SLIB for consideration at the January 19<sup>th</sup>, 2017 meeting will request funding in the amount of \$990,000.00 to assist in the replacement the City's thirty year old Wastewater Head Works/Lift Station Facility. Councilwoman Hill moved and Councilman Adams seconded to approve Resolution No. 2016-16 as presented. Motion carried unanimously.

The bills from 08-16-16 to 09-06-16 were presented for payment. Councilman Kelly moved and Councilwoman Hill seconded to approve the bills for payment as presented. Motion carried unanimously.

Councilman Law moved and Councilman Adams seconded to adjourn to executive session to discuss personnel. Motion carried unanimously.

Councilwoman Hill moved and Councilman Law seconded to return the Council to regular session. Motion carried unanimously.

Councilwoman Hill moved and Councilman Kelly seconded directing Attorney Eddington to negotiate a contract for professional services. Motion carried unanimously.

Mayor Varney commented on a recent article in the Casper Star Tribune about a movement in Wyoming to allow County residents to vote in City elections. He is going to call and visit with the Wyoming Association of Municipalities about it.

Councilwoman Hill moved and Councilman Kelly seconded that there being no further business to come before the Council to adjourn at 8:50 p.m. Motion carried unanimously.
